Why choose BBi?

Not all insurance intermediaries are the same. BBi is a 50 year old Chartered Insurance Broker that has been providing tailored, confidential insurance products to professional sports people and celebrities for many years.

We deal with a panel of Insurers, some of which are exclusive to BBi. We understand that your insurance must be tailored to your needs – and not the other way around. In fact, many 'off the shelf' insurance products simply won't give you the cover you need.

BBi has a team of specialist advisers who are contactable outside of normal office hours. We don't have a call centre and so your personal adviser will guide and advise you. We often do home visits at a time to suit your lifestyle.

The main areas of cover we provide are:

- Car Insurance – Individual cars or multi vehicle
- Home Buildings Insurance
- Home Contents Insurance
- Works of Art/Collections
- Jewellery
- Worldwide cover
- Annual Travel
- Pet Insurance

Career ending insurance

BBi are one of the few brokers that have access to the specialist insurance markets that provide cover following a career ending injury. Whilst it is not an easy subject to discuss, this vital cover to protect the long term earnings potential.

As Lloyd's Brokers, we can also cover some of the unusual requests from those in the entertainment business such as disability insurance cover if you are a singer and lose your vocal ability. Or insurance for Specific Body Parts for those who have body parts that are "Assets". Insuring a specific body part seems like something celebrities do to get into the news, but the purpose of body part coverage is to supplement

lost income if a body part is damaged, injured, scarred, handicapped, or lost.

Many traditional disability insurance carriers are challenged by the risks often associated with singing and other professions in the entertainment industry. Our insurance experts specialize in providing unique insurance coverage to professions outside of the traditional marketplace.

Business & Charity Risks

BBi can also advise on any commercial enterprise, business risks or charity you are involved in. Whether or not you own a property portfolio, have shares in limited companies or help to run a charity, BBi can ensure that any assets or liabilities are fully protected.
