

Your guide to insurance for cleaners

What is cleaners insurance?

Whether you have a domestic, commercial or contract cleaning business, if you work in other people's offices, warehouses, homes, or hotels, you need to have insurance in place to protect yourself and your equipment in case accidents happen.

We access a bespoke cleaning contractors scheme, along with placing business in the open market. We cater for all types of cleaning contractors including office, domestic, commercial and window cleaning.

“We cater for all types of cleaning business and contractors.”

“Get peace of mind
that cover is in place in
the event a claim
occurs.”

Do I need cleaning cover?

Many of the bespoke cleaning contractors schemes provide the following benefits:

- Loss of keys
- Misuse of customer telephones
- Theft by employees
- Treatment risks
- Security of customers premises
- Damaged to customers property taken off site
- Financial loss

No COVID exclusion applicable to liability covers

High Risk Trades

Cover can be arranged for trades that are viewed as high risk by insurers. These include window cleaning, abseiling and cradle work. We can arrange cover without a height limit.

Health & Safety Advice

You will have access to our Health & Safety specialist for half a day a year, this can include a free audit of your current H&S arrangements.
